DECLASSIFIED  
DATE 12-1-86

April 1986 Update

Volume III, No. 8

STRICTLY PERSONAL: EXCERPTS FROM MY DIARY

Joined publisher Malcolm Forbes for maiden cruise down the Potomac in his new multimillion-dollar yacht, The Highlander. It has futuristic look, designed to his specifications, with computerized control room. Looks like set of James Bond movie. Washington's high and mighty were piped aboard by bagpipe player in kilts.

CIA Director Bill Casey remained enigmatic, ducking broadside of questions about Libya's Moammar Khadafy. I volunteered that CIA has orders from President Reagan to overthrow Khadafy but CIA is backing wrong faction. Exile group with CIA support has no popular support inside Libya, I said. Casey smiled amiably.
